## A circular decorative motif featuring stylized flowers and leaves, surrounded by a beaded border. The design is intricate, with multiple layers of floral patterns and a central floral element. The entire motif is enclosed within a circular frame with a beaded or dotted border. The style is reminiscent of traditional folk art or textile patterns.

電話長一六一番

A decorative header featuring stylized buildings and text. On the left, a building is partially visible with the characters '店' (shop) and 'る' (ru) above it. In the center, a building is shown with the characters '八番' (Hachiban) and '社' (sha) above it. On the right, a larger building is depicted with the character '社' (sha) above it. The entire header is framed by a decorative border.
